Re: Correction of Public Notice Concerning Ex  
Parte Presentation

Dear Mr. Caton:

AFLAC Broadcast Group, Inc. ("AFLAC"), by its counsel, wishes to call to the Commission's attention an error in a Public Notice issued on July 7, 1995, concerning written notice of an oral ex parte presentation made by AFLAC.

On June 28, 1995, AFLAC, by its counsel, filed with the Commission written notice of an oral ex parte presentation in MM Docket No. 95-90, review of the Commission's regulations governing broadcast television advertising, and MM Docket 95-92, review of the Commission's regulations governing programming practices of broadcast television networks and affiliates. A copy of that filing is attached. On July 7, 1995, the Commission released a Public Notice of that filing, a copy of which is attached, stating that AFLAC had made an ex parte presentation in MM Docket 95-92, concerning programming practices of TV networks and MM Docket 95-20, the Computer III remand.

AFLAC wishes to call to the Commission's attention that, insofar as the Public Notice stated that AFLAC had made an ex parte presentation in the Computer III remand, it is in error. AFLAC has not participated in the Computer III remand proceeding and has made no ex parte presentation in that proceeding.
